UVC Air Disinfection Unit Gen 2

Philips Brand

Model numbers:

UVCA210 Air Disinfection unit 911401563191

UVCA220B Air Disinfection unit 911401570981

Identification:

Philips UV-C air disinfection unit is a floor standing air disinfection unit. The UV-C unit is robustly designed and is suitable for use in enclosed areas with occupants present, this product was sold via professional resellers in Australia. Affected products will display a date code on the box or at the rear of the unit. The date code is YYYYMMDD. Products showing a date code of before 20221215 (15 December 2022) are affected.

Hazard:

There is a fire risk if the product is subjected to high humidity and water forms on the control gear. This can cause shorting on the card and there is a risk of fire in the unit.

Action required:

The products identified should be disconnected from the power supply and returned to the original place of purchase for replacement.
